RECESSIONAL HYMN

ON EAGLES WINGS

Nothing ever really dies
That is not born anew,
The miracles of nature
All tell us this is true
The flowers sleeping peacefully
Beneath the winter's snow
Awaken from their icy grave,
When spring winds start to blow,
A little brook and singing
Streams icebound beneath the snow
Begin to babble merrily beneath
The sun's warm glow.
And all around on every side,
New life and joy appear
To tell us nothing ever dies
And we should have no fear,
For death is just a detour
Along life's winding way
That leads God's chosen children
To a bright and glorious day
